Library

The library is used for study and research.

The library, with over 2800 volumes at the present time, is constantly adding new materials as they become available. Back files of magazines for the last ten years are available to aid students in the preparation of papers and reports. With the replacement of one encyclopedia each year, the reference collection is being up-dated to meet current demands.

The addition of two bulletin boards made by the shop class satisfied a long-felt need for display in the library. Vocational guidance materials are displayed on one, and the other is used for general information.

Freshman Basketball

K. Sponseller, L. Thomas

Although suffering many close losses, they gain valuable experience and practice to become the future Varsity team of Fremont. Coached by Don Puckett, having won one game and lost six, this has been a bad year for the freshman team. But as the familiar saying goes, "that's the way the ball bounces."

Football

This year has been a year for rebuilding. Although the varsity and junior varsity each won one game, Coach Puckett's boys showed lots of spirit, and another year's experience should put us in the win column more often.
